

Directions to Mt. Spokane Picnic area:

<http://www.go-washington.com/Mount-Spokane-State-Park/>

Located 25 miles northeast of Spokane, Wash. From Spokane: Drive north on Hwy. 2 to Hwy. 206. Follow Hwy. 206 for 15 miles to park entrance. **No parking fee, no entry fee.**

After passing the park entrance, just following the road, then you will see a parking lot on your right side of the road. Keep going, till you enter another parking lot. Do not go straight where leads to the ski area. Do not turn right where leads to a picnic area that's not for us. Turing left to go up to the top of the mountain. About half way between the turning and the top of the mountain, you will see an entrance to a picnic area with a parking lot with some picnic tables and a restroom house. That's the place where we will meet to start our activities. Good luck!

See you there!
